POLK & CO., publishers of the Salem City Directory, as well as more than 750 other city, county, state and national directories, present to subscribers and the general public, this, the 1936 edition of the Salem Directory, which also includes Peabody, Danvers and Marblehead. The present edition represents the fifth Polk directory of this community, and is completely standardized.

Confidence in the growth of the community's industry, population and wealth, and in the advancement of its civic and social activities, will be created as sections of this directory are consulted, for the directory is a mirror truly reflecting the community to the world.

The enviable position occupied by R. L. POLK & CO'S directories in the estimation of the public throughout the country, has been established by rendering the best in directory service. With an unrivaled organization, and having the courteous and hearty cooperation of the business and professional men and residents, the publishers feel that the result of their labors will meet with the approval of every user, and that the Salem Directory will fulfill its mission as a source of authentic information pertaining to the community.

## Five Major Departments

The several essential departments are arranged in the following order:

THE MISCELLANEOUS DEPARTMENT for Salem, pages 14 to 19, presents a variety of information, such as lists of city and county officials; post office and public school directories; statistical review; historical, sketch; and manufacturing, trade and civic surveys. Similar departments for Peabody, Danvers and Marblehead will be found at the beginning of their respective sections.

THE BUYERS' GUIDE, pages 1051 to 1082, printed on tinted paper, contains the advertisements of leading manufacturing, business and professional interests of Salem, Peabody, Danvers and Marblehead. These pages will be found particularly interesting and instructive to substantial purchasing factors. The advertisements have been carefully grouped by departments and are indexed under headings descriptive of the business represented. This is reference advertising at its best, and, as such, merits a survey by all buyers eager to familiarize themselves with sources of supply. The community's activities, in many interesting phases, are authentically pictured. In an ambitious and progressive community like Salem and vicinity, the necessity of having this kind of information immediately available, is very great, and frequently pressing. General appreciation of this fact is evidenced by the liberal support the city directory enjoys in the many fields which it serves.

THE ALPHABETICAL LIST OF NAMES of residents, business firms and corporations of Salem is included in pages 21 to 392. A feature of this section is the inclusion of the wife's name in parentheses following that of her husband. A similar list for Peabody appears in pages 535 to 702; for Danvers, in pages 777 to 870, and for Marblehead, in pages 915 to 1018.

THE DIRECTORY OF HOUSEHOLDERS, INCLUDING STREET AND AVENUE GUIDE, for Salem, covers pages 393 to 530. In this section the names of the streets and avenues are arranged in alphabetical order; the residences and business houses are arranged numerically under the name of each street and avenue, and the names of householders and business concerns are placed opposite the numbers. A similar directory for Peabody, occurs in pages 703 to 774; for Danvers, in pages 871 to 910; and for Marblehead, in pages 1019 to 1050t.

THE CLASSIFIED BUSINESS DIRECTORY is included in pages 1083 to 1170. This department lists the various manufacturing, mercantile and professional interests of the whole community in alphabetical order under appropriate headings. This feature constitutes an invaluable and indispensable epitome of the business interests of the community. "The Directory is the common intermediary between Buyer and Seller." As such it plays no small part in the daily doings of the business world. "More goods are bought and sold through the Classified Business Directory than through any other medium."

#### Community Publicity

The directory reflects the achievements and ambitions of the community, depicting in truthful terms what it has to offer as a place of residence, as a business location, as an industrial site and as an educational center. To broadcast this information, the publishers have placed copies of this issue of the directory in Directory Libraries, where they are readily available for free public reference, and serve as perpetual and reliable advertisements of Salem, Peabody, Danvers and Marblehead, for business men, everywhere, realize that the city directory represents a community as it really is.

#### The Salem Directory Library

Through the courtesy of the publishers of the Salem City Directory, a Directory Library has recently been established in the offices of the Salem Chamber of Commerce, for limited free reference by the general public. This is one of more than 450 Directory Libraries installed in the chief cities of the U. S. and Canada by members of the Association of North American Directory Publishers, under whose supervision the system is operated.

The publishers appreciatively acknowledge the recognition by those progressive business and professional men who have demonstrated their confidence in the city directory as an advertising medium, with assurance that it will bring a commensurate return.

### History

Salem was founded in 1626, and is one of the oldest cities in the United States. It has taken an active part in all the historic events of the country, and is today a prosperous, industrial and residential city, preserving more historic landmarks, relics and articles of Colonial interest than any other city in New England.

Here is the scene of the famous Witchcraft Delusion of 1692, the meeting place of the first Provincial Congress, and the site of the old North Bridge, where occurred the Colonies' first armed resistance to the British in the Revolution. Nathaniel Hawthorne, the celebrated author, was born in Salem in 1804, and here he lived and wrote, drawing most of his plots from the town of his birth.

Modern Salem is the shire town of Essex County and the retail center of about 200,000 people. It is a city of diversified industry and is famous for the manufacture of cotton goods, leather, shoes, incandescent lamps, radio tubes, games, etc. It has about seventy different kinds of manufacturing, represented by one hundred and fifty factories. Salem has a population of more than 43,000.

It is a city of homes. About sixty-five per cent of the dwellings are owned by the occupants. It is rated as a "B" city by the fire underwriters, which gives the city the lowest insurance rate possible.

### Location

Salem is located on the Eastern Division of the Boston & Maine Railroad, thirty minutes from Boston. It is sixteen miles north of Boston and has excellent train service. It is on the direct automobile route from Boston to Maine and New Hampshire summer resorts.

This city is located upon Salem Harbor, is cooled throughout the summer by delightful east winds and is sheltered from the extreme weather in winter. Salem is a shipping center with direct rail connections.

### Education

The high standard of Salem's schools is generally recognized. The State Teachers College is one of the oldest in America. In the Department of Education, a degree of Bachelor of Science in education is granted at the completion of four years. It is one of the largest normal schools in the state.

The High School is splendidly equipped with recreation rooms, libraries, laboratories, auditorium, study halls and gymnasium. It has nearly fifteen hundred students and a corps of sixty teachers.

There are sixteen grade schools with an enrollment of over forty-five hundred and one hundred and forty-two teachers. There are seven parochial schools, two commercial schools, and two private schools.

The Public Library was formerly the home of Captain John Bertram. In 1887 this magnificent estate was given to the city for a public library. The Library, with 3 branches, contains 95,463 volumes.

### Clubs and Fraternities

The Rotary Club meets Tuesdays at 12:15 and the Kiwanis Club, Thursdays at 12:15, at the Hawthorne Hotel. There are three women's clubs: Salem Woman's Club, Thought and Work Club and the Society for Higher Education; also Salem Fraternity, the oldest boys' club in America, Y. M. C. A. (the first boys' branch in the world was organized in Salem), Young Woman's Association, Masons, Elks, Knights of Columbus, Odd Fellows and many others.

### Recreation

Salem has four motion-picture theatres, and two splendid golf courses—the North Shore Golf and Tennis Club and the Salem Country Club.

At Forest River Park there is a tourist camp, with running water and toilet facilities. It has a splendid salt water swimming pool and a new and attractive bath house. The park is under city supervision and is free.

The Salem Willows is a noted recreational park on the North Shore, with boating, bathing, fishing, shore dinners, ball park, open air theatre, dancing, bowling, etc. It is beautifully located on Salem Harbor.

### Churches

Salem has many beautiful churches, representing almost every denomination. The architecture of some of the churches is noteworthy.

The first meeting house for Congregational worship in America was erected in Salem in 1629, and continued as a place of worship for nearly three hundred years.

### Retail Trade

The retail section of Salem is the purchasing centre of approximately 200,000 people, and its stores are of a distinctly metropolitan character.

### Industry

The industries of the city are remarkably diversified. Good wages are paid. The living conditions are excellent. The city is unusually free from labor troubles. There is a splendid electric lighting plant, furnishing ample light and power for local needs, with a large super-power plant under construction to supply the growing demand of this section. The water supply is of the best.

Salem is a good city in which to live, and offers splendid inducements to prospective manufacturers.

### Hotels

The Hawthorne Hotel, erected by citizens of Salem, is situated at the junction of the Hawthorne Boulevard and Washington Square. It is of a distinctive type due to Colonial traditions and is undoubtedly the finest tourist and commercial hotel north of Boston. It affords a cool, charming stopping place for use of summer tourists as headquarters from which to enjoy, not only the historic treats of Salem, but many fine motor trips along the coast and through the woodlands of what many people consider the most attractive section of New England. It affords a central point for traveling men doing business anywhere in Essex County. Good meals, a comfortable night's rest, and an early start, without traffic complications, make it ideal for this class of patronage.

A commodious garage is located a short distance from the hotel. There are five smaller hotels, and two summer hotels at the Salem Willows.

### The Pioneers' Village

Forest River Park, Salem, Massachusetts. A correct reproduction of life in a Puritan settlement. Covers three acres and has 12 buildings. Built by the citizens of Salem as part of the Massachusetts Tercentenary of 1930. It has proved of such interest and educational value that it is being maintained as a permanent historical feature of the city. Open daily until dusk.

## POLK'S PEABODY Directory of Householders, Occupants of Office Buildings and Other Business Places INCLUDING A Complete Street and Avenue Guide 1936

Copyright, 1936, by R. L. Polk & Co.

In the following list the streets are arranged in alphabetical order, the intersecting streets being shown. The number of each building on the street is given in numerical order, and opposite the number is placed the name of the occupants or houseowner or tenant. In the business blocks containing offices the occupants are shown by room numbers where practicable, in apartment houses the number denotes the number of the apartment. The profession or business of individuals or firms is given only at their respective place of business; to find occupation of others refer to Alphabetical List of Names.

The symbol © preceding a householder's name indicates that we have received information during the canvass that the house is owned by some member of the family but as the publisher cannot and does not guarantee the correctness of the information furnished, nor the complete absence of mistakes no responsibility for errors can be or is assumed, nor can the publisher furnish further information than that shown.

† preceding any number indicates ownership of automobile.

Telephone numbers are opposite names.

Exchange is Peabody unless otherwise noted.

Bre, Breakers; Jac, Jackson; Sal, Salem.
